## Screenshot

**Lancia** is an Italian automobile manufacturer founded in 1906 by Vincenzo Lancia as Lancia & C.. It became part of the Fiat Group in 1969; the current company, Lancia Automobili S.p.A., was established in 2007.

The company has a strong rally heritage and is noted for using letters of the Greek alphabet for its model names. Lancia vehicles are no longer sold outside of Italy, and comprise only the Ypsilon supermini range, as Fiat CEO Sergio Marchionne foreshadowed in January 2014

## Screenshot

### Diablo

This last **Diablo** in a decade of flamboyant—some daresay outrageous—

The VT is, curiously, a very high-powered four-wheel-drive beast. Situate 2000 model, Lamborghini has lengthened the stroke by 0.16 inch, lighter the old 16-bit engine-control system to a more powerful 32-bit unit. As a more than found in the last Diablo. Torque is up 11 pound-feet to 457 at

Horsepower freaks take note: *This latest Diablo now has more horsepow*

8

Summary- Drop down list options doesn't show after selecting Gender as Female.

Steps To Reproduce-

- 1 Login with Valid Credentials.
- 2 Click on Profile button.
- 3 Use "Female" as input for Gender.
- 4 Click on Gender input box to access all list values.

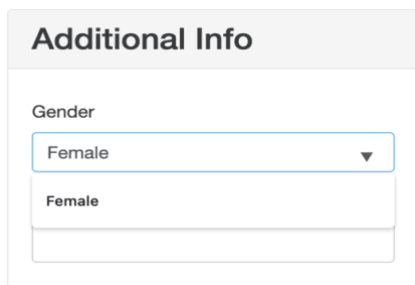

Expected Result

Drop down list values Male and Female are shown.

Actual Result

Only value Female is shown on clicking gender input box.

Screenshot

The screenshot shows a form titled "Additional Info". Inside the form, there is a label "Gender" above a dropdown menu. The dropdown menu has "Female" selected and a downward arrow on the right. Below the dropdown menu, the word "Female" is displayed in a separate box, indicating the selected value. There is also an empty text input box below the dropdown menu.
